

# COMMON APPLICATION™ 2008-09

## College Deadlines, Fees, and Requirements

**Please review each institution's website for comprehensive instructions and information. For items checked with an asterisk (\*) below, you must review the institution's website for additional information.**

### NOTES:

- 1 All colleges are coeducational unless marked (W) or (M) or (C). C indicates two "coordinate" single-sex colleges geographically adjacent to each other that share an admission process, courses, faculty, etc.

- 2 Some colleges charge different fees for International or Out-of-State Applicants. If you see two fees listed under the "If Online Application" or "If Mailing Application" headings, please consult the institution's website for more specific instructions.
- 3 Supplements Key: (School) Institution-specific supplement forms, (Arts) Common App Arts Supplement, (Ath) Common App Athletic Supplement. Consult institution-specific instructions regarding supplement deadlines, which may differ from the application deadlines.
- 4 'See Website' indicates this institution's testing requirements are too complex to be described in the space below. Also, if you are an international student for whom English is not your first language, institutions with the "T/I/M" code require that you take the TOEFL, IELTS, or MELAB exam.

- 5 School Forms Key: (TE) Teacher Evaluation, (SR) School Report, (MR) Midyear Report, (FR) Final Report, (IS) International Supplement, (HS) Home School Supplement, (ED) Early Decision Agreement. These forms can be downloaded at [www.commonapp.org](http://www.commonapp.org) (select Apply/Download Forms). Colleges that save recommendations post-matriculation are indicated by a ✓ in the last column.

**Transfer Applicants:** The information on this grid is for first-year applicants only. To see which institutions accept the Common Application for Transfers, and what their specific requirements are, please consult [www.commonapp.org](http://www.commonapp.org).
